

Advanced Manufacturing Training Center (AMTC) Major Naming Right Opportunities

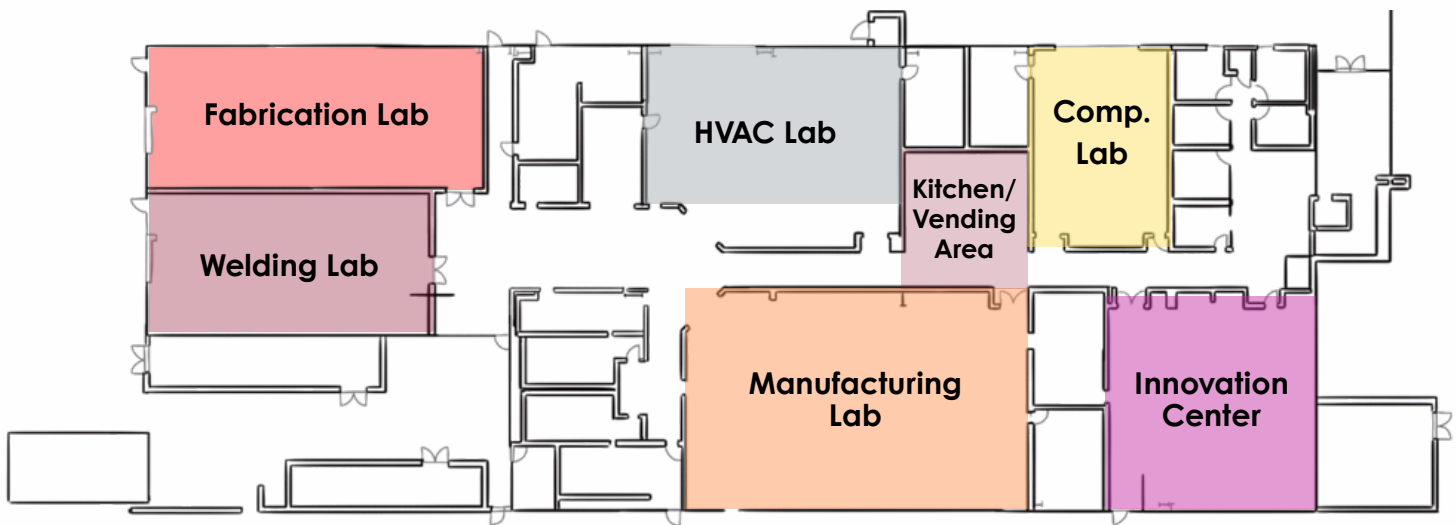

Donor Giving & Recognition

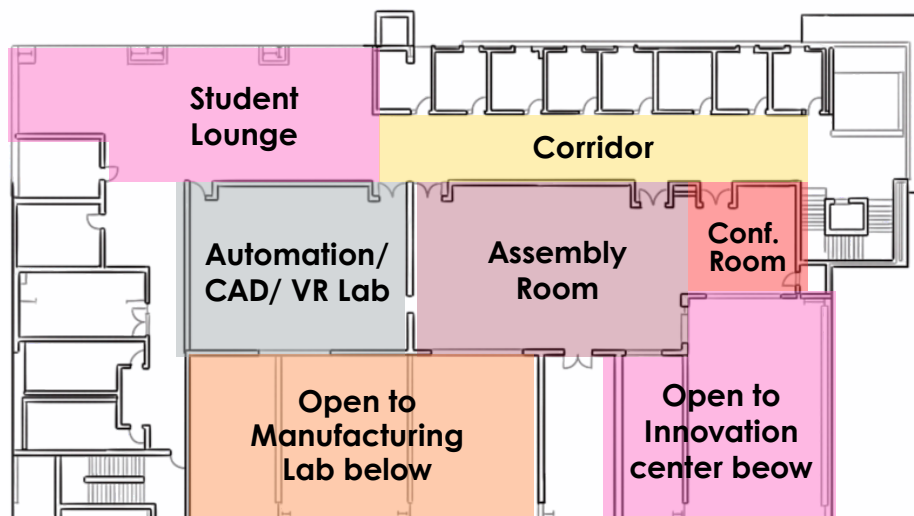

The Mohave College Foundation is offering various naming rights opportunities to honor individuals, corporations, foundations and organizations dedicated to the college's success, Mohave County's economic development, and nurturing future workforce talent.

Gifts can be pledged over 3 to 5 years. Your gift will be acknowledged publicly unless anonymity is requested. When a pledge or gift with a naming request is received, Mohave College will provide a written donor recognition memorandum outlining the details. Both parties will sign it once approved.

AMTC Major Naming Right Opportunities

Establish your legacy and build a better tomorrow by helping provide opportunities that build a better community, and leave a lasting impact for years to come. Earn recognition for your positive contributions by having your name displayed on or within the new AMTC building located in Kingman's Industrial Park and Airport.
