Financial Aid

Scholarship Booklet 2022-2023

“Gifts that Change Lives”

Dear Students,

The sole purpose of the Mohave Community College Foundation is to promote the growth, development, and strength of Mohave Community College and its students, faculty, staff, and programs. We know that college is an investment and want to see all who reach for their dreams achieve them. One obstacle to achieving dreams can be financial, and we are here to lend a hand.

All year long, volunteers across the county campaign and support fundraising for the MCC Foundation. Volunteers and staff engage with social service groups, businesses, and individuals, asking for their support so we may turn those dollars around and create scholarships for students. Foundation volunteers, who work, live and play in the same community as you, commit their time, talent, and resources to expand opportunities for students like you. Overseeing the efforts of local Foundation chapters, the Mohave Community College Foundation Board manages steadily growing investment funds to make sure they will continue to provide scholarships to students far into the future.

We understand how important it is for your educational efforts to succeed. If we can alleviate some financial burden, we hope it may instill enhanced confidence and the ability to focus on your learning goals. In return, we ask that you provide a thank you letter and a selfie video that we may share with our donors to help them understand the positive impact of financial assistance on you and your family as you strive to build an even better life. We can imagine no better outcome than seeing you graduate with your goals completed, ready to take the path of your choosing toward a rich and fulfilling life.

Sincerely,

Lyn Demaret
Executive Director for MCCF
Director of College Advancement for MCC

Please note that scholarship offerings can change throughout the year and this brochure is up to date when published.
