

## MOHAVE COMMUNITY COLLEGE FOUNDATION

The sole purpose of the MCC Foundation shall be to promote the growth, development, and strength of Mohave Community College and its students, faculty, staff, and programs.

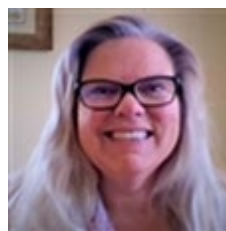

Hello to all our Alumni, Donors, Friends, Members, and Partners! We wanted to share with you some of the staff changes that have happened in the Foundation this past year. We welcomed a new Director of College Advancement, Lyn Demaret. Lyn joined our team in March 2019 with many years of non-profit knowledge and experience. Then, in November 2019, we welcomed our new Advancement Manager, Mandee Trowbridge. Mandee joined our team with a strong working knowledge of academia and several years of office experience. We are happy to have these two ladies joining the Chief Advancement Officer, Shawn Bristle, in the Advancement Office.
