

Endowment Creation Form

1. Name of Endowment

Is there a person or organization you would like to honor? Some examples are; Jim and Jane Smith Memorial scholarship, Service club scholarship, or Mohave area welding scholarship.

2. Intent / Award Preference

What is your intention in creating this scholarship (honoring a hero, memorial, related to a cause)? Are there any other characteristics of the student that are to be considered (veterans, trades, program of study, underserved population)?

You may wish to include a personalized historical or biographical paragraph. This paragraph can include information about the donor or individual/organization for whom the fund is named, or the donor's purpose in establishing the fund.

3. Type of Endowment

Is the scholarship to be based upon academic record (e.g. 3.5 GPA), financial need (determined by MCC Financial Aid office), or something else (e.g. welding program)?

- Merit-based Financial Need Other

4. Funding Frequency

Endowment scholarships mean that the amount donated is invested by the MCCF Foundation and the earnings are used for the scholarships. Some of the donation choices are:

- Gifting \$30,000 to start the endowed scholarship, which will fund students right away.
- Gifting several annual donations to achieve the \$30,000, triggering student funding.
- One gift of less than \$30,000 and allowing the gift to grow to \$30,000

5. Amount and Number of Awards

Several options exist for the size and number of awards to offer. For example, some donors may desire to provide five \$1,000 scholarships, some may want two \$2,500 scholarships, and some may desire to have the MCC Foundation decide how best to give out the awards.

- I choose to require that a minimum dollar amount be awarded each year
- I choose to require that a number of scholarships be awarded each year

I choose to allow the Foundation to set the amount and number of scholarships.
